Scholarship Recipients: In Their Own Words

My name is Courtney K. I was a recipient of the Kids’ Chance Scholarship from the Fall of 2016 to the Spring of 2018, when I graduated with my Bachelor of Science. I would first like to thank you for all of the financial assistance I received from this organization in my undergraduate studies. This scholarship, paired with an academic scholarship I was receiving, allowed me to graduate with my Bachelor’s of Science completely debt free. I cannot thank you enough for giving me the opportunity to attend a four year college without the stress of wondering how I would afford it.

Courtney K.

Thank you so much for the generous scholarships. It is greatly appreciated and will go along way in my daughter’s quest to become an educator.

Joe and Kathy N.

I just wanted to take a moment to thank your committee for the scholarship each year for my daughter, Elizabeth K. My husband became even more disabled through a brain condition and multiple brain surgeries while she was in college. I don’t know what we would have done without this award. She graduated last week with honors and will be a 1st grade teach this coming school year. She’s teaching in the most impoverished district in Jacksonville with the hope of helping students like she once was, realize their dreams. Please let the committee know the impact this organization has had upon our family. It’s beyond words to try to explain.

Jodi C.

I am writing to thank you for your very generous $4,200 scholarship. I am appreciative that I had the opportunity to be selected as a recipient for the second year. The Kids’ Chance scholarship has greatly lightened by financial burden. Also, with this scholarship, as I play collegiate volleyball, participate in the work-study program at Benedictine University and being a student with a full load of 18 credit hours each semester, it gives me the chance to focus on my studies, work, and volleyball. Your generosity continues to inspire me to serve and give back to the community. I know that one day I will be able to achieve my goals in order to help other students as you have helped me to achieve mine.

Kaitlyn E.

2019-2020 Sponsored Scholarships

Steve McManus
Keefe & Griffiths, PC
McAnany, Van Cleave & Phillips, PA

Donors may sponsor a named scholarship by pledging an annual contribution in the amount of that year’s scholarships — usually between $4,000 and $5,000 — which is then listed on the Kids’ Chance website and in the annual report. Student and donor contact information is exchanged, and a mentor-mentee relationship is encouraged. Steve McManus and Bob Keefe challenge the workers’ compensation community to join in.
